### PETITION TO MAKE SPECIAL FOR NEW APPLICATION UNDER MPEP §708.02 VIII

SIR :

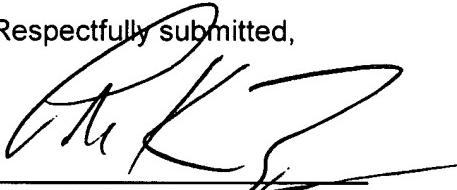

1. Petition      Applicant hereby petitions to make this application, which has not received any examination by the Examiner, special.
  
2. Claims      All the claims in this case are believed to be directed to a single invention in a patent. If the Patent and Trademark Office determines that all the claims presented are not obviously directed to a single invention, Applicant will make an election

without traverse as prerequisite to the grant of special status.

3.     Search        A search has been conducted of U.S. patents and published applications and directed to the claimed invention.
4.     Copy of References    A copy of each reference or document believed to be potentially material is enclosed herewith
5.     Detailed Discussion of the References        An Information Disclosure Statement is filed herewith and includes a detailed discussion of the references and/or other documents believed to be potentially material. This discussion particularly points out how the claimed subject matter is believed to be distinguishable over the references and documents.
6.     Fee    The Commissioner is hereby authorized to charge any fees associated with the above-identified patent application or credit any overcharges to Deposit Account No. 50-0235.

Date: August 24, 2006

Respectfully submitted,

  
Peter K. Trzyna
